## LUNCH BUNCH

Our Lunch Bunch Program is a wonderful time for children to enjoy eating their lunch together allowing for additional time for socializing and developing good manners.

Children in the morning Nursery School, Prekindergarten or Jr. Kindergarten classes may join us following their classes for Lunch Bunch from 11:30 a.m. to 12:15 p.m. Children in afternoon Nursery School, Prekindergarten or Jr. Kindergarten classes may arrive at 11:30 a.m. and join us for the Lunch Bunch prior to their classes at 12:15 p.m., (12:30 pm for JK). Children in Lunch Bunch will wash hands, have lunch (which their parents provide), and as time allows, may enjoy singing, a story and/or outside playtime. Children are guided to unpack their lunch onto their placemat, eat their main part of their meal before their snack/dessert, put any uneaten portions back into their lunch bag (so parents can see what was eaten), and to clean up their own space paying special attention to proper recycling. Manners that are stressed at lunch time are to use "Please", "Thank you", "May I", "Excuse me", to keep mouths closed while chewing and to wait to finish chewing before speaking.

If parents would like their children to attend this program on a regular basis, we ask that you register your child in the Main Office. Parents may also have children join this program on an "as needed basis" by simply calling the Main Office or visiting the Main Office to arrange for Lunch Bunch when they bring their child to school. Children will be added to the attendance list and the billing office will invoice monthly based on attendance in this additional program. The cost for this program is \$7/day for those children who are not enrolled in a full-day program or our Kindergarten Enrichment program.

Children need to bring their lunch and the lunch bag **MUST** contain an **ice pack**. We ask that any food brought into **The Academy** be healthy food. We are a **CANDY** and **NUT-FREE SCHOOL**. Please exclude any candy or nut based product from any food item brought onto **The Burlington Academy of Learning** premises. Nut allergies are very serious. Nut based products include any form of nut, nut oils and any food processed in the same vicinity of a nut product. We take great pride in the safe environment we provide for our students with allergies.

We look forward to having your child join us for lunch!
