# SUPPLEMENTAL CARE PROGRAM

During "Supplemental Care Program" days, children spend time in all five of our stimulating classrooms and on two exciting playgrounds! They enjoy exploration in Centers set up in all classrooms, including Books/Reading Centers, Writing Centers, Computers, Blocks & Manipulatives, Puzzles & Games, Sensory Tables, Drama, and Music.

Our daily schedule includes Circle Time, Yoga, Music & Movement, Songs & Fingerplays, Art Creations, Stories & Literacy Activities, Reading and Writing Skill Work, Math Computation Fun, two Snack Times, Lunch and Outdoor Play.

Our two playgrounds provide environments where children enjoy the outdoors as well as play organized games and use the bikes, tricycles and scooters. Snow gear is required as we enjoy the outdoors year-round and in winter, build snow forts, snowmen and snow structures!

## Exciting ACTIVITIES

include:

- Obstacle Courses
- Board & Card Games
- Parachute Play
- Cooking
- Music & Movement
- Science Experiments
- Arts & crafts
- Movies
- Wii

**Individualized  
tutoring in reading,  
writing and math is  
available from our  
certified teachers if  
desired by parents.**

## Daily Summer WATER PLAY

fun includes:

- water balloons
- squirt bottles
